All bulbs and bulblets in this special list will be shipped to you transportation charges prepaid, - our choice of parcel-post or express. We prefer not to receive orders under \$2.00.

Where bulbs are listed by 10, - 3 or 6 may be purchased at the same price per bulb so long as the item is not less than 15¢.

All stock is carefully fumigated several times in storage with sodium cyanide to eliminate any stray thrips. We give no warranty as to germination of bulblets, as this is largely governed by treatment at planting time and to growing conditions beyond our control.

A 25% deposit will hold bulbs for future shipment. If you desire, they may be sent COD for the balance due.

Please order early. Early orders will receive some worthwhile new variety as an extra. Altho we grow several car-loads of gladiolus bulbs annually, there are each spring many orders received too late to be filled in full.

Complete planting and cultural instructions will be sent with each order.
